

Welcome to...

THE LUNCH BAG

The Lunch Bag is delighted to announce that we will be providing free hot meals to your school in the coming months! On a date, to be announced soon, your child will take home an 'activation code', with instructions on how to order their free hot meals, which will be served directly to their classroom.

We ask all families to commit to trying the service as part of the EU Child Guarantee because:

- ✓ Hot meals throughout the day are proven to boost immunity
- ✓ Proven to Increase focus & concentration
- ✓ Improves the overall academic achievement of the school
- ✓ Builds a positive peer association with meals

Hot School Meals

Just like school uniforms, by fully engaging with the program, you are facilitating:

- Equity in the classroom, by ensuring all students have the same high quality, healthy Ireland compliant food
- A better environment with predictive stocks allowing suppliers to address the 1 million tonnes of food waste in Ireland each year
- Reducing packaging in the home
- Brings Ireland in line with all other EU countries as part of the EU child Guarantee

Free Hot Meals are a fantastic introduction to your entire school community. The idea of free meals is NOT about your affordability. All EU states are introducing free meals.

Across many countries, free hot meals are the 'done thing'. We look forward to creating this new landscape in Irish schools and homes nationwide.

MENU EXAMPLES

CHOOSE FROM 13 DIFFERENT OPTIONS EACH DAY!

BALLYMALOE
AN IRISH FAMILY FOOD COMPANY

Bean Chilli

Full of Beans!

Naturally nutritious, providing important nutrients for growing children! protein, fiber, folate, magnesium, iron, and potassium.

THE

NOVELTY FACTOR

As the 'novelty' of school meals starts to wear off, all school meal suppliers start to see the same issues:

Children not finishing meals

Increased waste

Complaints that 'quality' has reduced
(We promise it hasn't!)

At The Lunch Bag, we continually change our menu, offering over 30 different meals per week.

HELP US ADDRESS THE

BIGGER ISSUE

Make sure you are changing your child's order regularly!
This helps prevent boredom.

Remember that 'small break' & lunch are very close together.
Please ensure break time snacks are not too filling so their tummies are able for a hot meal shortly after.
